Job Title:	Substance Misuse IDVA
Responsible to:	Programme Manager
Contract:	Permanent
Working hours:	35 hours per week with some on-call cover required
Work location:	Based at Advance Hammersmith office and community locations

This post is open to female applicants only as being female is deemed to be a genuine occupational requirement under Schedule 9, Paragraph 1 of the Equality Act 2010.

Job Summary:

Advance delivers nationally accredited, quality marked services in Hammersmith & Fulham, Westminster and Kensington and Chelsea. We work within a coordinated partnership response to violence against women and girls in these three boroughs as part of the Angelou Partnership, within the partnership Advance provides independent domestic violence advocacy and support for women, children and young people who have experienced domestic abuse.

The Substance Misuse IDVA will work within a dynamic, fast paced, crisis intervention, advocacy and support service to ensure the voice of survivors informs every stage of the process specialising in working with clients for whom substance abuse is a factor. They will work within the team to make proactive contact and provide high quality advocacy and support based upon a client led needs and risk assessment to women from age 13, focusing on working with those aged 18 and over who access the domestic abuse service. They will advise women on criminal justice and civil remedies and related matters, support women to attend court where necessary, and coordinate the provision of multi-agency support. Part of the role will be to establish positive, proactive and innovative working relationships with services providing substance misuse intervention and partner agencies within the Angelou Partnership. The post holder will work across the three boroughs under the guidance of the team leaders and project manager.

The post holder will have an excellent understanding of domestic violence and its effects on women and children and of best practice within the domestic abuse and substance misuse sectors. As an experienced domestic violence advocate who has worked with complex and multiple needs, the post holder will be skilled in risk management and safety planning, remaining calm in a crisis and in handling sensitive information on a daily basis. Experience of direct work with female survivors of domestic violence, of supporting women involved in substance misuse services, and of working within safeguarding procedures is essential for this post, as is the need to adopt and promote a strong partnership approach to service provision.

Substance Misuse IDVA - Main Duties:

Main Duties and Responsibilities:

1. Ensure effective access to the service for women and girls across the Angelou Partnerships services and encourage their engagement with the service, through multi agency working and service flexibility.
2. Work with Substance Misuse service providers to introduce the service and encourage practitioners to identify domestic violence, respond appropriately and refer to the service. This may include some co location within substance misuse services and offering briefings and information to upskill substance misuse workers and improve their response to domestic abuse
3. Hold a caseload and work within the team to conduct comprehensive assessments of needs and risk for women experiencing domestic violence, carry out short and longer term risk management, safety planning and support; and identify and refer to services appropriate to their needs, including attendance at specialist/dedicated courts and MARAC as required.
4. Develop and deliver support plans that include delivery of high-quality face to face or telephone crisis intervention, information, advocacy and support, in respect to criminal and civil remedies, housing, health, welfare rights, children's legislation and other appropriate interventions.
5. Advise women of their rights and options for seeking help and support from other agencies, making referrals and co-ordinating the provision of multi-agency support where necessary, and proactively advocate to ensure barriers to accessing support and protection are minimised.
6. Proactively assess the needs and safety of any children that women using the service may have, ensure that any risks/needs identified are addressed directly with the woman, and take appropriate action to safeguard them.
7. Proactively assess the needs and safety of women at risk giving due regard to Adult at Risk policies and procedures.
8. Participate in multi-agency conferences in respect of children and adults at risk as required, providing reports and undertaking actions as necessary.
9. If a client is involved in the criminal justice system as a witness, provide them with information, advocacy and support as cases progress through the criminal justice system, supporting them to apply for special measures and to give impact statements, and maximise their safety to help them give best evidence, accompanying women to court where necessary
10. Work with the Service Manger, Team Leader and Monitoring and Evaluation Officer to ensure all monitoring and evaluation for the project is accurate and fully maintained, and keep managers informed of any issues and successes.

11. Ensure that agreed case recording and monitoring systems are kept up to date and secure, and write internal and external reports where required, including for safeguarding conferences, team meetings, managers and others.
12. Participate in multi-agency working and focus groups when requested to do so, and follow through on agreed appropriate actions that arise from these.
13. Work effectively as a member of the Advance Domestic Violence team and in close collaboration with Angelou Partner services, Minerva keyworkers and substance misuse teams.
14. Provide a 24 hour service to survivors, in collaboration with team members as part of a rota system.
15. Work in partnership with substance misuse staff and provide institutional advocacy to maximise positive outcomes and use the appropriate reporting mechanisms to highlight persistent or recurring issues that arise.

General duties:

16. At all times protect the safety and security of the Advance, service users, staff, volunteers and buildings, and the confidentiality of records and other information in line with data protection requirements.
17. Proactively assess the needs and safety of children and women to ensure that any risks/needs identified are addressed, having full regard to Advance's Safeguarding Children's policy and Safeguarding Adults at Risk policy and complying with the Local Safeguarding Children and Adults requirements.
18. Be responsible for personal learning development and keep up to date on research, relevant legislation, policy and practice, and other literature relevant to the project.
19. Participate in supervision, training and meetings as required and work as a member of the team to ensure effective delivery of service and individual work plans.
20. Ensure the effective implementation of Advance's Safeguarding, Health & Safety, Equality and Diversity and other policies and procedures and uphold the core values of Advance.
21. Uphold the right of women, children and young people, advocating vigorously for them while offering protective strategies, and appropriate safe services.
22. Work across teams and undertake such other duties, appropriate to the grade and character of the work, as may reasonable be expected.

This job description sets out the duties of the post at the time when it was drawn up and will be reviewed from time to time. Duties may vary from time to time without changing the general character of the duties or the level of responsibility entailed. Such variations are a common occurrence and cannot of themselves justify a reconsideration of the grading of the post.
